Peer Testing

Dad

- The project fits the brief outlined by the client and allows for multiple assignments per subject so you can track your progress.

- The project is responsive and easy to use with clearly displayed information that is easy to navigate and update.
- The design is catchy and clean.

James

- I like the layout of the program, and the overall interface of the program is very intuitive. Regarding improvements, I would like to be able to edit the assignments from the Dashboard page. I like the overall layout.
- Ease of use: 8/10
- Layout: 9/10
- Intuitiveness: 8/10
- Overall: 25/30
